

## ~ Laura's Loyal Stampers ~

For every \$40 you spend with me (orders must be \$40 or more and before Shipping & Tax to count), you will earn a sticker. Orders cannot be combined to total \$40.

For example: At \$40, you will earn 1 sticker. At \$80, you will earn 2 stickers. You will continue to earn stickers for every \$40 increment afterwards. Orders of \$160 or more will receive 4 stickers as well as Hostess Freebies!

**Once you have 10 Stickers, you will receive a \$40.00 Gift Certificate from me to use on an order or class!**

### **How to redeem your Stickers?**

I will keep track of your Stickers and email you when you have hit 10 Stickers. You can spend your gift certificate as you wish for an order or a class!

Be sure when you are placing your order online, that you are checking YES in the box stating "Allow my demonstrator to contact me with order updates and other important information." If the box is checked "NO", I won't know who placed the order and you will not receive any points or a Thank You Note from me for your order!
